SUCCESSFUL BONSPIEL

The most successful and the largest bonspiel of recent years in Strathmore was completed last week end. Starting on Monday morning, it ran through every day and evening of the week right up to Saturday, and when curlers weren't on the ice playing, they were back in the waiting room skipping someone else's game.

Townsmen ate, drank and slept curling throughout the week, and non-players were just about as interested in the color and enthusiasm of the rink as their more active friends.

The 'spiel started off with three events, two main draws and a consolation, and was supplemented during play by a fourth draw for non-winners. With twenty-five rinks entered, there were long full match-sheets, and play was uninterrupted throughout 18 hours of the day.

One of the most favorable points in connection with the weather, which during the whole week was unusually favorable. While it was chilly enough there was little cold that would interfere with attendance, and the ice was never 'heavy' and always in woot kept condition. For those who did become chilled, the Red Cross booth in the waiting room was always active, and was really much appreciated. It was very well patronized and the Red Cross committee were exceedingly pleased with their success.

The only team to go through the bonspiel unbeaten was Johnny Freeman's. Winning the Calgary Power draw and the Deliveries Limited draw

VICTORY LOAN GRAND SUCCESS

Strathmore and District which reaches almost to the Calgary limits has gone all out in a grand way in the 1942 Victory Loan.

The quota was placed at \$68,000 and now (Thursday) \$93,300 has been received with a week to go before the final windup.

The people of this district have again proven true to their accustomed standard of going 'all out' in a cause worth while.

Messrs Frank Fulton of Langdon district and Morton McIlroy of Chestermere with their canvassers have met with exceptional success.

Our committee and canvassers were

this team played the best of competition in the game, and still came out with flying colors. Other winners in the draws included, Calgary Power—2nd—A. Gray, 3rd—D. MacDonald, 4th—Fred Holmes; in the Deliveries Ltd, 2nd—D. MacDonald, 3rd—M. MacLeod, 4th—C. Mackie; in the Strathmore Hardware, 1st—National Elevators, 2nd—H. Smith, 3rd—T. S. Hughes, 4th—D. Shrimpton, and in the George Snaith Brent, the winners of the four hams were Gene Groux's rink. Groux asserts positively that no inference was intended.

The curling club wish to thank all those who took part for their activity, and for contributing to its financial success. More especially their thanks are forthcoming to the firms donating the prizes, and thus making its success so possible.

SUCCESSFUL ICE CARNIVAL

Joyce Woodliffe is Queen

The Ice Carnival arranged by the Junior Hockey Club again provided merriment, thrills and excitement aplenty. The tug-of-war and the broomball game provided laughs galore. The scores were even in the events, one game to the Battery and one to the All-Stars. The fact that the Battery could not, as they claimed, get a footing, made all the more fun.

The midget hockey, and the girl's hockey also provided laughs — espec-

given a big job, our quota having been increased by several thousands over that of last year. They have accomplished their objective and several thousand over.

The men have worked zealously and are grateful for the response they have received.

TOWN COUNCIL

Despite a fairly short agenda at the Council meeting on Tuesday evening, debate stretched far on into the night. It was much too late to listen to the news—all except for the late news, that is.

A matter of safety was brought up when a councillor suggested that the south approach to the corners at the Strathmore Hotel and M. Lounsbury's were rather dangerous and that it would be wise to install some traffic signs. The matter of erecting stop signs or 'caution' signs was discussed, and on the opinion that unless 'stops' were enforced, they would be worse than useless, it was agreed that a caution only would be sufficient. The erection and the actual site was left in the hands of the town property committee.

The Fire and Light Committee were asked to meet with the Fire Dept Executive and discuss with them their probable requirements for the coming year before the estimates are made up.

The meeting disclosed that we are harboring a safe-cracker in our midst, although, the Town was glad to be availed of his services one night when the vault in the fire hall, containing a number of old records refused to answer.

(Continued on Page Eight)

COMING EVENTS

The Annual Thankoffering Meeting of the W. M. S. will be held Saturday March 21st at 3 p.m. at the home of Mrs N. White. Special speaker will be Miss Lisbeth Robertson, from Indore, India. All Ladies interested are cordially invited. Tea will be served. Silver collection.

March 12—A Red Cross Card Party will be held in the Chesdale Hall. Everyone welcome.

The W. A. of St. Michael's church will hold a St. Patrick's Tea and Pantry Sale in the King Edward Sample Room, Saturday, March 14. Drop in and enjoy a refreshing cup of tea with your friends.

The regular monthly meeting of the Sorosis Society will be held in the Town Hall, Wednesday, March 11th at 8 p.m.

ially enjoyable due to the antics of those two most lovable young ladies, who went right to the hearts of the crowd, the Misses Johnnie Keeling, and George Freeman.

The races, the fancy costumes and the skating exceeded the standard of even last year. The fancy skaters, Misses Shirley Martin and Murfy McHugh from Calgary were exceptionally good and very generous in responding to the hearty applause of the spectators.

— JOYCE WOODLIFFE —
Sponsored by 23rd Battery

ors. Their solo numbers and their Air Force duet won them the genuine admiration of the crowd, the more so since they were nearly frozen on the ice.

The event of the evening, of course, is the procession and crowning of the queen and this was carried through with due ceremony. The approach of the royal procession in their robes of royal colors was heralded by Lolly Downey. The pages, Raymond Pardy and Chris Hansen all combined to make a colorful spectacle as Queen Joyce with her Ladies-in-waiting, Ilene and Edna, escorted her to the steps of the royal throne. The oath of all allegiance on the part of her subjects was read by Mayor Hughes, while the crown was placed by the Dowager: Queen Georgina. A picture of the pretty scene was taken by Anson Chase and by Doug Shrimpton, and the ceremony became history for another year.

There was a large attendance who all acclaim the carnival a huge success. A large number of the folk appeared in clever costume rendering the task of the judges difficult. The judges were Mrs. Martin and Mrs. Grant of Calgary, who said they thoroughly enjoyed the interest of judging, and complimented the committee in charge in the excellent lighting and good public address system.

Shirley Martin figure skater, was Alberta Javelin Champion at the age of nine years. She now holds the American and Canadian Silver Medal. She took her American Silver Medal in Hollywood and the Canadian Silver in Regina last year. She has held the Junior Intermediate and the open free skating championship of the Glencoe Club.

Murphy McHugh has held the open free skating championship of the Glencoe Club. She skated in Colorado Springs, Col., and Hollywood, and held the Junior Championship of the Van

(Continued on Page Eight)

THE 'OUT-SIDE'

● Increase in Output Wool in Canada
Continued expansion in total wool production in Canada is indicated in the estimate of 19,200,000 pounds in 1941 as compared with 18,208,000 pounds in 1940 (states an official report issued on February 13. The production of shorn wool amounted to 14,511,000 pounds, an increase of 689,000 pounds over the 1940 clip.

● Gasoline rationing goes into effect April 1st, 1942.

● The Ski—

I think that I shall never see
A stick so tricky as a ski.
Steer the slick thing as I will
It always rides me to a spill.
It lies all quiet 'til I am on,
Then without notice we are gone
Down, down, we run—I'm filled with
glee.

Great Scott, I'm sunk! Here comes a tree!

● Rubber From Wheat—

Will the wheat surplus of Western Canada help to solve the rubber problem of the Allies, now that the great rubber producing areas of the southwest Pacific are shut off by the Japs?

Recent experiments by a number of U. S. research scientists who were looking for cheap ways to extract alcohol from surplus wheat and corn may point the way. Two of them told a House of Representatives' committee on agriculture in Washington the other day that their experiments indicated that one bushel of either corn or wheat would make ten pounds of synthetic rubber, and that, on that basis, 120,000,000 bushels of either of these grains would produce 600,000 tons of rubber.

● To prevent tire thefts, it has been made an offense to sell or purchase any tire from which the serial number has been removed.

● Chinese citizens of Drumheller have subscribed liberally to the Second Victory Loan.

● Sir Stafford Cripps says — "The world has to reckon with Soviet youth "whose direct and vital interest in their country" is behind Soviet enthusiasm and successes, and said the new lord privy seal, former ambassador to Moscow.

● Vitamin C in Rose Seeds—

Two hundred tons of rose hips (the seed pods of roses) gathered from the hedges of England and Scotland last autumn have been turned into syrup for the older children in Britain who cannot get a regular supply of oranges.

Like the orange, rose hips are a rich source of Vitamin C, the anti-scurvy vitamin.

Before the war it never occurred to anybody to use rose hips, but when supply of oranges dwindled a small army of Boy Scouts, Girl Guides, Teachers and Women's Institute members turned out into the lanes with their baskets.

Even housewives who were expert jam makers found it difficult to keep the hip hairs out of the syrup, and the hips were therefore sent off to nine factories which have now produced from them 600,000 bottles of syrup. Young children are sipping it with relish at the rate of one teaspoonful a day. Two teaspoonfuls in the 24 hours give all the vitamin C which older boys and girls require.

GRACIE SENDS MASSEY HARRIS 'ALL-OUT'

Gracie Fields enchanted the employees of Massey-Harris factory with her personality and song at a monster gathering in front of the plant where she congratulated them on their outstanding record of every employee of the 2400 having bought a Victory

Bond, and raising \$208,000, which was nearly \$40,000 more than the objective set by the Victory Loan Committee. This was an average of \$87.00 per employee. The amount raised was in addition to the \$1,500,000 subscribed by the Company.

VANCOUVER

In Vancouver it's always Hotel Grosvenor for those visitors who want economy along with comfort and centrality. Quiet sleep, quick service, quality meals! And yet room rates start around the \$2 mark. Around the corner from shopping, business and theatre districts, and the busy centre of town. Great lounge with open fireplace, writing rooms and an excellent dining room. Write for reservations as early as you can!

Full daylight is about 600,000 times brighter than full moonlight.

ROCKYFORD

— By K. M. G. —

A closely contested municipal election was voted on Saturday, Feb. 28, when Mr Ed Feser's term expired. Mr Emil Cammaert of Tudor was his opponent but after an exciting day the ballots showed that Mr Feser had been returned to office for another term.

Mr Eddie Griffiths returned from Calgary late last week, where he had been in hospital for a time. His very bad cold and throat condition is improved and we hope to see him out soon again. Both of his girls have also been suffering in the same way but are now recovering.

Mr and Mrs Jerry Cammaert are rejoicing over the birth of a son in Calgary on Wednesday, February 25th. Both mother and son are doing well.

Miss Edna Cammaert is home from Edmonton for a short time. She is convalescing from an attack of pneumonia.

A well attended meeting of the United Church Ladies Aid Society was held on Thursday afternoon, Feb. 26th with the president Mrs Bragg in the chair. The special business of the day was the decision to hold the regular Easter Tea on Saturday before Easter Sunday. This popular event will be conducted quite like other years with tea served all afternoon and ice cream of the popular home

made type. After the business of the day was completed Mrs L. W. Hoppel and Mrs Roberts the hostesses served an afternoon tea to about 30 ladies. Born to Mr and Mrs Hoelscher of Tudor a daughter. Both mother and baby are doing well.

The Rockyford rink who took in the Belscher Bonsel last week were successful in bringing home the indirect lighting fixtures which were the enviable prizes offered. The rink which went to Calgary on Saturday for the one day 'spiel' did not get far enough to be in on the prizes.

It has been said that it takes a war to bring people together and Mrs T. Birt is beginning to believe there is some truth in the saying. Many years ago when she lived in England her eldest brother Mr Claridge, decided to go to New Zealand. After a few years he married a young woman who had also come from his home town with her family. Mr Claridge became a boot and shoe manufacturer and lately one of his sons worked there too. About two weeks ago Mrs Birt had a phone call from a young soldier in Calgary, who, to her surprise called her aunt. Mr and Mrs Birt arranged to go to Calgary and welcome to our country the young nephew whom they had never seen. In the meantime a letter from Mr Claridge in New Zealand also informed them of their son Eric coming to Canada to train. He is now at No. 2 Wireless Training School. Eric Claridge states their convoy was on the high seas at the time of the far invasion overseas, so were reported and landed at an entirely unthought of port, but with no mishaps.

The Victory loan organization report they have almost reached their quota of \$26,000 by Monday night. Completed applications had reached \$25,100 and there was still five days to go in which they hoped to go over.

Many changes are being made in the C.P.R. irrigation personnel around Rockyford. Mr J. Busch will be located at Wilsons as Watermaster, with Mr Edgar as ditchrider, while Mr Payne will be at Crowfoot.

WHEATLAND S. D.

HOLD REGULAR MEETING

A regular meeting of the Board of Trustees of the Wheatland School Division No. 40 was held at the Strathmore office on February 20, 1942.

School hours for the summer months were set to go into effect March 1st. School opens at 9 a.m. and dismisses at 3:30 p.m. with one hour off at noon and the usual recess periods this being on Daylight Saving Time.

The resignation of Mrs Florence I. Buchin, substitute teacher at Advent School was received and accepted.

The reading of the minutes of annual meetings of local school boards was tabled until next meeting as all local districts had not filed their reports. These will be considered at the March meeting.

STRATHMORE

ALBERTA

The Budget for the year 1942 was considered and passed. The cost of operation is set for approximately the same as last year but it was thought advisable to raise the requisitions sufficient to enable the Division to remodel about three schools which will need attention this year. This, it is anticipated, will make it unnecessary to make any further borrowings on capital account this year.

Brewster Line Sold

To Greyhound
Founded in 1932, the George Brewster Transport Company, operating a daily bus service between Calgary and Banff, has been taken over by the

Greyhound Lines, it was announced recently by Greyhound officials.

The former service was operated jointly by the George Brewster Transport and the Brewster Transport. No change in the Calgary-Banff schedule is anticipated by Greyhound officials. Equipment of the Greyhound Lines will now be used on the bus line.

Planes Of Tomorrow... Nightmare For Axis Now

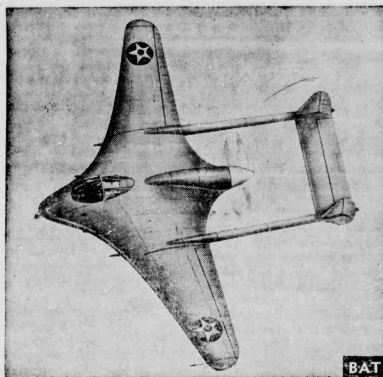

AIR WHALE

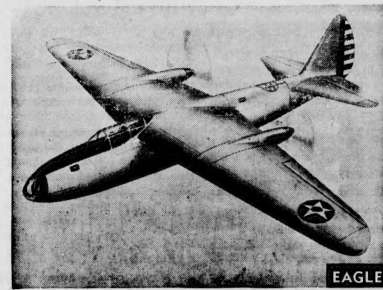

SNIPE

Single engine behind pilot drives oppositely rotating twin propellers.

These are the planes that may strike the final death blow against the Axis. Photographs released by the U.S. Army Air Corps show drawings of the trends now being explored by designers.

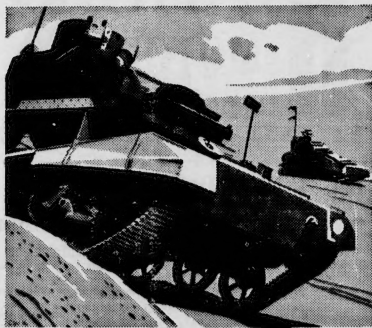

BAT

EAGLE

Two power plants submerged in fuselage drive two pusher propellers.

Thrift BUILDS TANKS

Never before has individual thrift been so vital a factor in our country's history. Every dollar we can save counts in the conduct of this war.

To overwhelm the enemy and hasten a victorious peace the Empire must have a modern, smooth running, hard hitting, fighting machine. But such a machine cannot be built without individual sacrifice—self denial—thrift.

Until this war is won make personal thrift your watchword. Watch your spending. Build up a reserve of fighting dollars out of current earnings. Save for victory.

► This book will help you save. The Royal Bank Family Budget Book shows you how to budget your income, how to save by planned spending. Ask for a free copy at your nearest branch.

The ROYAL BANK of Canada
C. F. NICHOLL, Mgr., Strathmore

BERTA VALE

By H. W.

There are a few more cases of chicken pox in the district, but the first victims have now returned to school.

Mrs Thomas Taylor won one dollar's worth of bread tickets on a radio quiz program last week.

Mr Leonard Hilton is busy canvassing for Victory Bonds these days.

Mrs Shkuratoff is home from the hospital with baby daughter Violet Eileen.

Mrs Watson is now the substitute teacher at Berta Vale. Mrs Chapman is much improved, and is now up again.

Berta Vale - Serviceberry Women's Institute

Every member was present at the meeting held at the home of Mrs Backs on February 26th.

Enough blocks for one quilt were turned in and the ladies are continuing to make more for another quilt. Mrs E. Way kindly offered to put the quilt together, including interlining and tying.

Each member donated 15c to buy wool for a knitted afghan. This will be made of blocks 6 inches square, of a variety of colors.

Arrangements were made for a whist drive to be held in Serviceberry School on March 5th.

A delicious tea was served by the hostess assisted by Mrs Morton at the close of the meeting.

FLT. LIEUT. SWAN AT ST. MICHAEL'S

Flt. Lieut. Swan gave an inspiring sermon at St. Michael's Church Sunday evening, basing his remarks on the blessings that will be gained individually and nationally, by enthroning God in our lives.

The Psalmist said "I will lift up mine eyes unto the hills from whence cometh mine aid." Carrying out the allusion Lt. Swan pictured the Psalmist as looking over at Mt. Sinai, Mt. Calvary and Mt. Olivet, and the inference that through Mt. Sinai God speaks—, through Mt. Calvary God loves and through Mt. Olivet God lives and reigns.

So should we ascend to the altitude of God's plan, having a spiritual outlook and a perspective that sees even in the midst of these troublous times. God's plan being worked out.

The preacher said it is a regrettable fact that God has passed out of the lives of too many and in place a religion of humanism is being substituted. The speaker said is not sufficient. God must not be left out of our lives, rather we must ascend unto the altitude of His plan.

"God lives, God reigns and all will be well." But we must possess a definite, an active conviction of this truth.

Rev. Leslie Pearson conducted the services, and introduced the Guest Speaker.

Canada Year Book

Canada Year Book for 1942 is now off the press and is filled with interesting data of Canada and Canadian Industries.

EDITORIAL NOTES

"WE have just one job to do—to shortest possible time." — Donald M. Nelson, Chairman of the United States War Production Board.

"IF WE are to avoid periodic outbreaks of war, then it will be necessary to lay the foundation of a new social order based upon a new vision of human relationship when co-operation and peace will take the place of competition and strife." — Robert Gardiner, President, United Farmers of Alberta.

HOW RUSSIA GOT READY

THE most revealing book on Russia yet published is Joseph E. Davies' "Mission to Moscow." It is a cornucopia of hitherto unpublished "inside" history. It shows how vigorously Russia, spurred by the Nazi menace on one frontier and the Japanese menace on the other, has been preparing for war since 1936.

Mr Davies' revelations regarding the vast extent of Russia's "heavy" industries and their all-out concentration on war weapons make it clear why Russia has been able to throw back the "irresistible" armored onslaught of Hitler's steel legions. When Russia felt its danger it made defense the chief aim of government and war the chief immediate purpose of its whole industrial system.

When Hitler struck, Russia had tanks, guns, planes such as the democratic, capitalist states did not have.

This book is acclaimed as one of the most enlightening yet published on Russia conditions.

FORTITUDE

LET us pray for fortitude. Let us act to develop it and let us believe and achieve to obtain it.

This quality of mental courage is required in individuals and nations alike — in these troublous times. Without it no one can attain to his best achievement, but with it, and all

that it comprises difficulties can be overcome, trials made as of naught, and a quality of character developed that can figuratively remove mountains.

This is what we need,— to be victorious, to carry us through and into the bright days of Peace again. Let us develop fortitude.

WHO IS CALLING?

I dreamt last night and now I can't forget the dream.

I was standing looking at Vimy Ridge as I knew it twenty-four years ago. Only all the troops had gone.

Behind was the chalky entrance to the tunnel from which we emerged on April 9, 1917. Ahead was the gentle slope of bare hard earth, planted with tin cans, broken rifles, barbed wire stakes and gouged by shell craters and trench excavations.

It seemed to be just about twilight. Not a thing stirred. The silence was complete.

Then I saw Jim. He was standing on top, off to the right a little, just about where he and I had hit Hienle's front line together, where he had dropped so quickly he didn't have time even to say "So long" to me.

He looked just as he did then, twenty-two years old and handsome. Suddenly he raised his rifle high, and with that shining light of enthusiasm which he used to have in his eyes, he cried,

"Come on Canada!"

I awoke with the feeling that he was not only looking at me but through me to a huge crowd of other Canadians.

There are some dreams which cannot be accounted for. This wasn't one of those however, because yesterday I had learned that the slogan for the Second Victory Loan was to be,— "Come on Canada."

Today, while that vision of Jim stayed with me, this question popped up— Who really is saying, "Come on Canada!" in this present Victory Loan Campaign? And I think I have the answer in the dream about Jim. Who have a better right to ask Canadians today to pour all the money they can get their hands on into the job of wiping out the dictators than the glorious crowd of more than 50,000 young Canadians who willingly gave up a future life of happiness in Canada and accepted a grave in France for the sake of others back home. Contributed.

SCOUT NOTES

Recent reports on National Salvage work include the collection of five tons of bones on a December Saturday by the Boy Scouts of Amherst, N. S.

Fifty thousand medicine bottles were collected by the Boy Scouts of Toronto during December and turned over to RCAMC medical stores.

Pot Pourri

FRIENDSHIP—

Arthur James Maydon
 (In Western Morning News)
 If nobody smiled and nobody cheered,
 And nobody helped us along,
 If each, every moment, looked after himself,
 And good things all went to the strong,

If nobody cared just a little for you,
 And nobody thought about me.
 And we all stood alone in the battle of life,

What a dreary old world it would be!

Life is sweet, just because of the friends we have made
 And the things which in common we share.

We want to live on, not because of ourselves,

But because of the people who care,
 It's giving and doing for somebody else—

On all that life's splendor depends,
 And the joy of this world, when you've summed it all up,
 Is found in the making of friends.

Okotoks M. D. Oppose Large Unit

On motion of Wm. Moodie and D. Ward the following resolution was passed at their annual meeting.

"Whereas the municipal district is in good financial standing and is able under present conditions to do the required road work and has the necessary machinery to perform the same.

"Be it resolved that before the M. D. is included in a large unit that the Minister of Municipal Affairs be requested to give his consent to a vote being taken of the ratepayers of the District to express their wish if they are in favor of being formed into large unit or against it and that a copy of this resolution be sent to the Minister of Municipal Affairs and to the local member." — The Review.

FIRE TRAINING AS A SCOUT SAVED HIS LIFE

His training for the Scout Fireman's Badge when a Boy Scout at Sussex, N. B. was credited by James White with saving his life during the fatal December midnight fire at Mt. Allison University when the Men's Residence was destroyed. On wakening, and finding himself trapped in his room, said White, he recalled the instructions of his Scout Fireman course concerning the entering or leaving of a room in a burning building. "Stand on one side, open the door and keep crouched down." White did this, escaped the fatal blast of superheated air and reached the stairway. The student in the adjoining room, presumably not so trained, lost his life.

The former Scout on his return home following the fire, called on the Sussex fire chief, Dr. J. J. Daly, to tell him of the incident and thank him for the training given himself and other boys of the Sussex Scout Troop.

F. W. GERSHAW WRITES FROM OTTAWA

Each day the Session is opened with prayers and when the Speaker has read the prayer he calls out: "Let the doors be opened." The people, who are usually waiting in long lines, then crowd into the Galleries. Today the Speaker will not ask the officers to open the doors, in fact, all the Gallery doors will be locked and the Constables will search carefully to make sure that no unauthorized person is listening and the Defence of Canada Regulations forbid the publishing of anything that takes place. Committees meet in Camera but this will be the first regular Secret Session since the last War.

The Government is being criticized because the lists are not being printed for the Plebiscite vote. Each enumerator will have a list posted up and any one can copy this list. The printing cost is \$650,000 and it is thought to be unnecessary for the vote. It is unlikely that cards will be sent to voters.

Japanese will not be permitted to vote. No person can vote who has been asked to report to police. Conscientious objectors are also generally banned. The vote will likely be taken in May. Returns will be published for each Electoral division with summaries for each province as well as totals for all Canada.

The Japanese will be moved from defence areas of the Coast as soon as places can be found. No district seems to want these people. Some are very arrogant and boastful and people who know them are not inclined to trust them as Canadians. It is expected that the moving of the 3500 men will be on a Voluntary basis. They will be given employment. There are 6067 Canadian born, 6529 naturalized, Japanese and about 4976 who are still not naturalized.

On the day of the fall of Singapore, Mr Churchill said— "Great Britain, with a War on, did not wish to have to take on the Japanese, an ally in the last War, and was prepared to go far in avoiding their joining actively with Germany." His hopes were not realized and painful events have shown how sound his judgment was.

Have you a local? — Phone 17

STANDARD

KNIGHTS OF PYTHIAS ENTERTAIN

Dress suits and prospector outfits, crinolines and bustles, Indians and trappers mingled in gayabandon in the Malamute Saloon, on Monday and Wednesday evenings of last week, when the Knights of Pythias, Pioneer Lodge No. 31, staged a "Trail of '38" Costume Party in the local lodge room.

The interior of the Hall had been transformed into an old time Saloon and Dance Hall, complete with all manner of games of chance, bar and gypsy fortune teller.

Madam Call and No-all, seer, numerologist and palmist, found no difficulty in forecasting the future and was able even to tell quite a tale of past adventures to the many who sought her advice and counsel. At intervals during the evening several entertainers delighted the guests, Gardena Gertie, from her vantage point on top of the piano, was especially good in her version of "After the Ball." Grandma and Grandpa Hokum from Little Rock, Arkansas, were very amusing in their

STRATHMORE TRADING COMPANY

A. D. SHRIMPTON, MGR.

Phones 18 and 88

No other country in the world is better equipped than Canada to produce, with minimum manpower, the prodigious quantities of foodstuffs required by an Empire at war.

Equipment bought to do more work in less time and at less cost during the years of drouth and depression has taken on greater importance now that our war-time program in men and munitions has created a shortage of labor and materials.

The importance of farm equipment has been recognized by the highest material priority rating for civilian goods, yet even with this preference—so great is the manufacturing program for war purposes—it may not be possible to meet the demand for farm equipment this year.

It will be necessary, therefore, to take extra good care of your present equipment. Check it over to see that it is in good working order. Replace damaged or worn-out parts now. Use your machines carefully, paying particular attention to frequent and thorough lubrication of working parts. If it is essential that you have a new machine, it is to your interest to place your order as early as possible.

Through its extensive network of branches and local dealers, the Massey-Harris organization is prepared and equipped to give that prompt, reliable service depended upon by generation after generation of Canadian farmers since the pioneer days. Never before was modern farming equipment so important—your local Massey-Harris dealer is ready to help you keep your equipment in good working order.

song and dance. Several performers put on a very realistic version of "The Shooting of Dan McGrew."

Old time music was supplied by local musicians, who also played for an old time "Hoe-down" on Wednesday evening.

Miss Danie McGowan and Miss Russell Kidd added greatly to the amusement and pleasure of the gathering with their sweet feminine charm and wiles.

It was a difficult task for the judges to make a decision as to the best costumes, so varied were the styles and so numerous were the costumes. Miss Esther Castella in green brocade was the ladies choice for Monday evening, while Mr Jim Paulsen won the gentlemen's first prize, dressed in formal attire of the 1898 period. Wednesday evening, Mrs H. Channey carried off the honors. She wore an old time wine serge wedding dress with bustle, high buttoned shoes and hat in keeping with her costume. Elmer Wirt as a typical prospector, in checked shirt high boots, six-shooter and holster, and a slouch hat, won the gentlemen's prize for the best costume. Prizes were also awarded both evenings for the Lady or Gentleman with the greatest amount of "Bogus Money" in their possession at a specified time. Wagers were made and bets placed too, on the hour and minute when the ice

SCHOOL NOTES

Some additional names of former pupils of the School who are now in His Majesty's Forces.

Bobby Seales, Billy McKay, Stanley McKay, Fred McKay, Harrison Knapp, Ross Cleve, Francis Miller

Please notify us if there are still some names omitted.

Up until the 23rd February pupils of the School have bought \$136.50 worth of War Savings Stamps.

AIRCRAFT FOR ALASKA

The U. S. Air Forces have been sending bombers and other aircraft to Alaska and the Yukon states, Air Minister C. G. Power.

would break up in the Yukon River—suitable prizes were awarded to those guessing approximately the correct time.

Mr J. B. Deschamps acted as the genial proprietor of the Malamute Saloon. Frank Giberson was the "Arm of the Law", and Jonathan Wheatley played the part of "Judge." Mr J. Smith was the lawyer defending the "Prisoners before the Bar." As Master of Ceremonies and originator of the very novel entertainment, credit goes to F. D. Knowlton, Secretary of the local Lodge, Knights of Pythias.

THE WEEK IN EDMONTON

By DAN. E. C. CAMPBELL
Director of Publicity.

● Alberta Alaska Route—

Feeling throughout Edmonton is
that at any moment the decision to
build the Alaska Highway through
Alberta will be announced either in
Washington or Ottawa. The U. S. army
commission which surveyed the route
last week gave early endorsement to
it, and obtained from the Alberta gov-
ernment assurances of complete co-
operation, with the Public Works. De-
partment playing a major role. Re-
ports from both Canadian and Amer-
ican capitals suggest that the Alberta
route has the edge over all others.

In the Legislature, Hon. W. A. Fal-
low told the full story in intensive ef-
forts made to bring the Alberta route
to the notice of responsible U. S. and
Canadian authorities. Through maps,
circulars and publicity channels, by
direct contact with responsible per-
sons, the enlistment of chambers of
commerce and legislators along the
territory to be covered by the route,
the case for Alberta was promoted.
Mr Fallow declared that great co-
operation was received in the United
States, but that communications with
Ottawa were not answered. He charged
the Dominion Government with
"rank discrimination" in ignoring the
claims of this province.

● University—Suggested Changes—

Interim report of the special inquiry
committee set up to investigate Uni-
versity affairs was tabled in the
House during the week. It contained
sweeping recommendations, including
provision that the Board of Governors
should be the ruling body in all Uni-
versity matters. Reduction of the
Senate membership from the present
54 to not more than 25 is also recom-
mended. The committee also urges
that the university plant be used for
twelve months in the year, that a mil-
lion dollar building program be ex-
tended over ten years, that four terms of
three months be established and a
faculty of education be set up. Sub-
missions from 29 organizations and
individuals were heard by the com-
mittee, with 17 from university bodies,
faculties, schools and officers. Public
hearings were held.

● Smallpox is a menace to the people
of Alberta, according to Dr A. M. Bow,
Deputy Minister of Health, and par-
ents ought to have their children vac-
cinated without delay. In the annual
report just issued by the Health De-
partment, the Deputy Minister said
that there has been no wide outbreak
of the disease in nine years, but that
only 30 per cent of resident pre-school
children are vaccinated, and that the
situation is dangerous should a serious
type of smallpox break out. "The
province is in a very serious position.

A false sense of security has been
created," said Dr Bow.

● Nutrition Board—

Formation of the Alberta Nutrition
Executive has been announced, follow-
ing a meeting in the Legislative
Buildings of 60 representatives of in-
terested organizations in Alberta.
Meeting was conducted by the Deputy
Minister of Health for the province.
Dr A. M. Bow, and chief speaker was
Dr L. B. Pett, of the Dominion Nutri-
tion Branch. Representatives of the
Alberta Health Department, Dental
and Medical Associations, Agricultural
Women's Extension Branch, Red
Cross and other organizations will
make up the council. An educational
program is projected.

.... "V"

**Many Breeders Attend
Feeding Lecture**

A group of over two hundred fam-
ers and breeders were in attendance
at the lecture and film demonstration
arranged by the Western Department
Store, through Canada Packers Ltd.
The Western Department store is the
local representative of this firm.

Explaining the many phases of the
present system of rail grading as against
the former system, the repre-
sentative showed where there were
no inequities for the breeder whose
hogs received proper treatment and
whose methods were uniform. It was
only designed, he stated, to assure
more fairness than did the former
basis.

The films actually took the watchers
through the abattoir from the point
where the farmer's hog was received,
to the point where it was graded as
A, B, C, or D pork, with especial em-
phasis, of course, laid on its bacon
properties, and the system whereby
each hog was checked back to its
shipper. As it goes in, the hog is
indelibly stamped with a serial num-
ber, which it carries right through to
the grading point, where the num-
ber is registered on a grading card,
and from here the records carry it
through to the accounting division,
where tickets are made out. In each
case of a lower grade than an "A",
the reason for such is shown.

Carrying the lecture on to poultry,
a series of films showing methods on a
commercial chicken raising farm were
portrayed. Explanation was given
along with these, as it was in the for-
mer reels.

Following these films, many ques-
tions were asked by members of the
audience, and were all answered by
the operator.

.... "V"

**Treat Sheep Now
For Stomach Worms**

Stomach worms and nodular worms
two of the most common kinds of in-
ternal parasites affecting sheep can
be effectively controlled by treatment
with tablets containing the worm-
killing drug, phenothiazine. The most
effective time to give this treatment
is in the late winter or early spring,
before any of the adult sheep get out
on pasture in the spring. Information
concerning the purchase and price of
tablets and detailed instruction re-
garding doses is given in War Time
Production Series Bulletin No. 51—
"Control of Certain Parasitic Worms
in Sheep." This bulletin is available
from Publicity and Extension Divi-
sion, Dominion Department of Agricul-
ture, Ottawa.

Local News Items

Mr and Mrs A. Chase had as their guests for over the carnival, Mrs Martin and daughter Shirley and Mrs Grant and daughter, Miss "Muffy" McHugh of Calgary.

Saturday night Feb. 20th a big surprise party was given at the home of Mr and Mrs Wensink, 2nd Ave N. E. Calgary, in honor of Carrie Melissen of Strathmore. The house was beautifully decorated with lovely flowers, daffodils, snapdragons and roses, donated by the Brink Bros. Green house. About 45 friends were present. The evening was spent with community singing and games. After 12 o'clock a delicious lunch was served by Mrs Wensink and friends. Carrie was the recipient of many beautiful gifts, for which she expressed her warm thanks to her friends for their kindness. The singing of "She's a Jolly Good Fellow" completed a very happy evening.

Mrs Nell Glendinning arranged a happy social evening and linen shower at her home Saturday last, in honor of Mrs J. Vermont. About ten guests were present and Mrs Vermont received some very pretty pieces for which she expressed her warm thanks. A very pleasant evening was enjoyed by all.

Mr and Mrs Lounsbury returned Friday from a trip to Winnipeg.

Miss Carrie Melissen who has enlisted in the Women's Auxiliary left Strathmore Tuesday evening for Calgary and Wednesday she left for Toronto where she will take further

training.

Mrs G. H. Patrick is attending the annual meeting of the Woman's Auxiliary in Calgary this week.

The Ladies of the Bingo Club met at the home of Mrs Melissen for a surprise party given in honor of her daughter Carrie who is leaving for Toronto this week to take up her duties in the W. A. R.C.A.F. Three tables of bridge were played. High score went to Mrs Melissen and consolation to Carrie. A light lunch was served by the ladies of the club after which Mrs Newmeyer presented the guest of honor with a beautiful travelling case. Carrie in a few words thanked the ladies for the lovely gift. Mrs W. Meyers also presented her with a lovely pencil, having her name engraved in gold. The toast was proposed and all the ladies wished her the best of luck in her new duties.

Mr Tench who has been very faithful in the Salvage Campaign is giving up for the summer months, but the work will be carried on by Oliver Wright. As a result of Book Week 300 very readable books were collected and distributed to the military and Jr. Red Cross Hospitals. Mr Tench took in Tuesday a large load of waste paper magazines, etc. and a ton of glass. The Salvage work must still go on. All is needed.

Curlers Service, United Church Sunday evening. All curlers and friends are invited to the evening service in the United Church Sunday evening, and to a social hour following when the men will serve a cup of tea.

The marriage of Mr Joe Harwood, second son of Mr and Mrs Jas. Harwood and Miss Dora Deeg took place February 2th. Their friends wish them much happiness.

Mrs Walter Meiser and baby son arrived home Tuesday of this week.

The final game in the Spring series of Sorosis Card Parties was held Wednesday at Mrs H. A. Willson's home. Prize winners for the series were Mrs White, high, Mrs W. I. MacKenzie, consolation and Mrs Schulte won the lucky draw.

Mr Jim Harwood has purchased the house formerly owned by Mrs DeWitt on 6th Street.

Miss Jean Garrett came down from Calgary Monday to recuperate at home following her operation. She is making a fine recovery.

Business Announcement

Mr H. Gilchrist has taken over the Cockshutt Agency in Strathmore. He will open an office in town in the near future. Watch for further announcements.

Mrs D. A. Perry is visiting her sister Mrs May in Medicine Hat during the week.

Miss Deborah Swanson is the guest of her uncle Jimmy Swanson for some weeks.

Mr Jack Weyers is the latest in the district to don His Majesty's Uniform having joined the R. C. A. F. and is now in training in Calgary.

The Ladies of the Sorosis Society packed 28 boxes Tuesday to send as an Easter gift to our boys overseas. Ladies helping were Mesdames Nichol, A. Pierson, Van Tighem, Schulte, N. White, T. S. Hughes, S. R. Hunt, W. I. MacKenzie, S. Sorensen and A. D. Shrimpton.

Nell Weaver of Crowfoot is training in Calgary under the Youth Training Plan.

Miss Cecilia De Marce, former teacher at Crowfoot left Calgary Wednesday for Toronto, to take further training in the R. C. A. F. Women's Branch.

Stanley Besse celebrated his birthday Wednesday by inviting a number of his young friends to his home. The usual happy games and delicious supper combined to make a very happy birthday. Stanley received many pretty and useful gifts.

A Father and Son Banquet under the auspices of the Boy Scouts and Cubs will be held in United Church basement Thursday, March 12.

ICE CARNIVAL

(Continued from Page One)

cover skating club. She has also skated in Spokane, Wash. They are the Senior pair champions of Calgary, and have been a popular feature in both Canada and the United States and the Glencoe Carnival for the past three years. They are two of the finest costume skaters in the Dominion and after leaving here will fulfill engagements in many top ranking carnivals of Canada.

A list of the prize winners in the races and costumes is as follows:

RACES
Boys 8 and under, first George Palardy Girl eight and under, Florence Potter and Leona Giroux.
Boys twelve and under, Teddy Roberts Leslie Roberts, Bobby Wilson.
Girls twelve and under, Jean Koch, Lorna Leannon.
Boys sixteen and under, Ralph Way, Teddy Roberts, Bobby Wilson.
Girls sixteen and under, Marjorie McNeill, Marion Morton, Mona Sarsons.
Boys Open, Ralph Way, Teddy Roberts and Bobby Wilson.
Girls Open, Marg Groves, Marjorie McNeill, Winnie Porteous.

COSTUMES
Best Dressed Boy ten and under, tie for George Palardy, Chinaman and Raymond Palardy, Pirate.
Best Dressed Girl ten and under, Jeanne Gannon, Queen of Hearts.
Patriotic Ronnie Hilton Victory Bonds
Best Comic, Lawrence Downey, Long Nose
Most Original, Rose Marie Hilton Jack Churchill.
Best Dressed Man, Margaret Groves Churchill.
Best Dressed Lady, Jean McMurray, V for Victory.

Best Dressed Girl sixteen, Doris Hilton, Old Fashioned Bustle.

The committee arranging the Carnival were Messrs. J. Crellin, Anson Chase, A. V. MacParland, D. McMurray and Jas. Gannon.

Special Draw— Lucky Ticket, Virginia Bower, 5 gallons of oil and drum donated by Maple Leaf Oil Co. Calgary, through the Maple Leaf Agent, Chas. Keeling, Strathmore.

SWEET CAPORAL
Cigarettes
"THE PUREST FORM IN WHICH TOBACCO CAN BE SMOKED."

(Continued from Page One)
swer to persuasive methods. Mr. Holmes is, however, quite modest concerning his abilities and will disclose nothing about his learning of them.

The Town Solicitor was asked to prepare a by-law for the next meeting to appoint L. M. Katterhagen, of Rock- yford, as auditor for the present year. The appointment was ratified at the meeting. The solicitor will also prepare a bylaw appointing M. B. Garrett assessor for the present year. The matter of having a re-assessment for the entire town was discussed, but it was felt that the cost—\$400—would not be justified at this time.

The Town Property committee were instructed to see to the purchasing of paint and paper, to the amount of about six dollars, for one of the town properties.

The secretary was instructed to see that a ration book is obtained for the firetruck before the first of April as this would be an absolute necessity in case of trouble.

Insurance on two of the town's properties was reported as renewed.

Accounts amounting to eighty dollars were passed.

Lutheran Church Services

Lutheran services which during the past years have been conducted at Glencairn School, will be held at Cairnhill School, beginning with March 8th.

Rev. W. A. Raedeke, pastor of Mt. Calvary Lutheran Church in Calgary will continue to conduct the services every second and fourth Sunday of the month at 2.45 in the afternoon.

The topic for this coming Sunday will be in keeping with the Lenten season. "The cup which my Father hath given me shall I not drink it."

PENNANT FLYING

From the Flag Staff at Victory Loan Headquarters now floats a pennant in the breeze, proclaiming twenty-five per cent over the quota.

Cyprus, having an area of 3,572 sq. miles and a population of 380,000 has for the first time, raised a native military force.
